AGING CARE SOLUTIONS PRESENTS:

Advanced Directives: The Who and What!

April 16 is National Health Care Decision Day (NHDD) and exists to inspire, educate and empower the public and providers about the importance of advance care planning. It's never too soon to think about and talk about what's important to you, in your life and in your health, with a trusted person. It is a process that should focus first on conversation and choosing an agent. Planning ahead and talking about it with your trusted person puts you in the driver's seat. The more you speak up, before a medical crisis happens, the better your health care can be. Come learn how to plan ahead and make your wishes known.

Presenters: Tammy Smith and Kathy Smith,
Lighthouse Hospice and Palliative Care

Wednesday
April 19, 2023

Noon-1:00pm
