

POISON CENTERS: *Here for the Ages*

TIME IS RUNNING OUT...

FREE 2023 [Continuing Education Credit \(CEC\)](#):

(online course available in English and Spanish; available to those living/working in IL)

- Childcare Providers
- Nurses
- EMS Professionals
- Early Intervention Service Coordinators, Early Interventionists, and other Early Intervention Stakeholders

We appreciate you forwarding this invitation to all who might be interested in free CEC and/or poison prevention materials (stickers, magnets, posters, children's activity books/sheets, handouts, etc.). The online course is self-paced, consists of 7 quick, easy lessons (average 3-5 minutes/lesson) and can be completed on a computer, tablet or smart phone. Click here to get started: [Poison Prevention Education Course](#).

BONUS:

The month of March is [Illinois Poison Prevention Month/National Poison Prevention Week](#). After completing the course, you'll be eligible for a variety of free education materials and promotion items. Details will be emailed in late January, 2024.

For questions and/or comments contact Vickie/Patty: IPCadmin@team-ihc.org or 312.906.6136.
